

Zonta Club of Denver is presenting *A Good Neighbor* for our 17th Annual Day of Film!

A Good Neighbor is a feature-length documentary about a Latina single mother's fight against racism and climate change as she campaigns for city council in Commerce City, Colorado, one of the nation's most polluted zip codes.

Lucy Molina's story, in this film locally produced and directed by women, is featured at our 17th annual Day of Film. Join us April 5, 2025, in the Doubletree Hotel at 3203 N. Quebec St.

On the Day of Film, the ballroom will open at 9:30 a.m. for the Silent Auction and Champagne Brunch, and at 11 a.m. the film and program will start.

Film & brunch tickets are \$65 through March 22, then \$75. Parking is free. Find tickets and more info at [Zonta Day of Film](#).

Who should attend: You and your friends who are interested in how women are helping women build solutions to challenging issues.

Thanks to your support, we can host our Day of Film again in 2025. This beloved annual event is our chance to share good news about women's successes, and the barriers they are overcoming.

As in past years, the proceeds of this annual event will fund projects of the Zonta Club of Denver, and of Zonta International.

Your contributions invest in women and girls, in the Denver area and internationally, who are building their self-sufficiency.

Past Club projects include helping to empower women after domestic violence, drug addiction, and being trafficked.

Donations to Zonta also contribute to scholarships to young women in business, aerospace, and public affairs.

Find out more about Zonta and its work, buy tickets to the Day of Film, make a donation, or connect with us at www.zontadenver.org.

Thanks, as always, for your generous past support. Your participation always makes a difference in a woman's life.

Hope to see you there!
