

Zonta's Day of Film 2010:

A group of incarcerated teenage girls get a shot at redemption in a most unlikely form: a musical based on their lives. As they write and stage their play, the girls must re-live their crimes, reclaim their humanity, and take a first step toward breaking free of the prison system. The characters of **GIRLS ON THE WALL** will surprise you with their candor, intimacy, and unexpected sense of humor. Together, they illustrate the power of story to illuminate the darkest secrets, and to understand the most tangled lives.
