International Advocacy

Hello fellow Zontians! Below are the answers to January's trivia game. Thank you to all who participated, I had a very good time and was thoroughly impressed with your knowledge. I had a lot of fun coming up with the questions and trying to stump some of you.

However, the most important question should be a no-brainer: Have you given to ZI this year? Zonta Club of Denver makes a goal of 100% participation in ZI giving every year and every year we make it! Please don't delay. I will have forms with me at the next meeting and you can donate online any time at <https://zontafoundation16394.thankyou4caring.org/sslpage.aspx?pid=298>. Please let me know if you donate online or have a recurring donation already set up so I can keep an accurate record of our participation and avoid unduly harassing you. Thank you, Denver Zontians! ~~~~ Katie!

Committee Reports

Service Committee

The service committee met on January 4th to plan for 2016. We are beginning to contact our new grant recipients so we can start planning our service activities for the new year.

For the February Awards Dinner there will be one table for each grant recipient. Our members will sit with the grantee of their choice so they can learn more about the organization.

The theme for the January Delores dinner was warm winter soups. The women celebrated the Broncos victory while enjoying the dinner. All the food was provided by Julie, Carin, Judy A, Olette, Nancy, Kathy H, Cathy C, and Mary. Thank you!

Because of the February Awards Dinner, we will not be collecting an Item of the Month for February.

The Item of the Month will resume in March.

The next service meeting will be on Monday, February 1, at 6:00 p.m. at Perkins.

What is the name of the woman who developed the Membership manual?

~ Nancy

Fund Raising Committee

FIVE WEEKS AND COUNTING. That's the amount of time we have left before OUR Day of Film. To date, we have 15 tickets sold. Some have come from the list I sent to my friends and some have come from the email Julie sent out to our past attendees several from our members.

Your Fundraising Committee has worked really, really hard to put on a fabulous Day of Film. We are moving the venue to the Tivoli at Metro. No more long lines to wait for food and mimosas.

Our film is *The Hunting Ground*, which addresses the issue of sexual assault on our US college campuses. If you, as a member, cannot attend, we are respectfully requesting a donation.

You may buy tickets or donate on our website www.zonta-denver.org, mail a check to me at 35296 E. 10th Drive, Watkins, CO 80137, or bring a check to our February meeting. We will have flyers and post cards available to help you INVITE a friend to attend. Last year we had 90% participation by our club. Let's get that up to 100%!! Thanks for the wonderful support you have given in the past.

~ Nikki

Advocacy Committee

As I mentioned last month, the Committee has finalized its arrangements with CoNEHT (Colorado Network to End Human Trafficking) for \$500 of Club funds to be made available for Zonta Wings-emergency transportation of human trafficking victims. Representatives of CoNEHT will speak at our March club meeting. We will learn more then about what the network is able to accomplish here in Denver.

The Club Board voted to be a co-sponsor of *Driving with Selvi*, the UNA film festival film about South India's first female taxi driver that I describing in the last *Smoke Signal*. (This is another form of advocacy, at the club level.) A number of club members (in addition to all members of the Advocacy Committee!) will attend the screening on Sunday, January 31, and I'm sure we will tell others about the film.

Upcoming events that I hope members will consider attending are:

- AAUW Colorado's Public Policy Day, February 6, 8:30am-2:15pm at Marriott Denver South, 10345 Park Meadows Drive, Lone Tree, CO 80124 (more information and a link to register at aauw-co.aauw.net)
- 2016 Colorado Women's Legislative Breakfast--February 23, 7:00am at the Scottish Rite Masonic Center, 1370 Grant Street, Denver, CO (more information at www.cwlb.org)
- Human Trafficking Advocacy Day at the Capitol, February 25 at the State Capitol (for more information on EventBrite and Facebook, search for "Colorado State Capitol Human Trafficking Advocacy Day 2016")

Thanks to the many members who have been taking time to research and write about the issues we are concerned about in *Smoke Signal* articles, or talk about them in the Advocacy Moments at our meetings. All of us are advocates when we share what we learn about trafficking, equal pay, and other issues with our friends and acquaintances.

~ Judy Mc

PR Committee

The Public Relations committee will be working closely with the fundraising committee for the next couple months making sure we have all our PR ducks in a row helping get people to the Day of Film and publicizing this event. It takes all of us to spread the word and get people recognizing Zonta! We now have 175 'likes' on our Facebook page and we have added a few new members to our Meetup page as well. We will be looking to put this event in neighborhood and regional papers. We have sent emails to everyone who has attended in the past and I hope everyone will attend and help get the word out. We have also gotten the collateral fliers and cards, invitations for the Day of Film ready so that every member can pick them up at the February meeting.

~ Julie

Membership Committee

The Membership Committee met on January 27th at Citron Bistro. Good news! Sheila reported that while our net + 1 membership goal for the year ending 6/1/16 is 32 members, we are now at 36 members.

We continue to encourage members to bring guests to our meetings, especially the grant award meeting on February 11th. We have plenty of capacity for guests, and this is a wonderful opportunity to show them our service commitment in action. The cost is \$28 per person for the meeting, which will be at the Bent Noodle at 3055 S. Parker Rd. in Aurora. The meeting will begin at 5:30 p.m. Please send me your RSVP no later than Sunday, February 7th.

In other news, the committee is planning our next club happy hour. It will be on March 31st at Citron Bistro, in the lounge area at 5:00 p.m. Please come if you can, and feel free to bring a guest!

The next Membership Committee meeting will be held on Wednesday, February 24th at 5:30 p.m. at Citron Bistro.

~ Marian

President's Message

February is National Heart month. It is known that women have a different type of heart attacks than men. Research on women and heart attacks lags far behind men. An average of 53,000 women die each year from heart attacks. This occurs because of misdiagnoses from underlying causes. There have been improvements over the last decade, but women have worse results from attacks than men.

It means women often don't receive lifesaving medications. More women than men die each year from the first attack. 26% of women versus 19% of men die within the first year. Women do tend to have smaller blood vessels, they are older when they have attacks than men and probably have other conditions such as diabetes and high blood pressure. How many countries are involved in voices Against Violence?

Women are more likely to wait longer than men to seek help. Men go to a hospital within 15 hours of first symptoms, while women will take more than 2 days. Heart attacks can be deadlier to younger women, she will be sicker than young men and more likely to die in the hospital. Women experience different types of symptoms, shortness of breath, nausea, or vomiting, moving into the back, up the jaw and into the head. Men experience shoulder pain and down the arm which is very general.

Experiencing the crushing pain within your chest, pain generating up your neck into the jaw area, and the clammy feeling is what I experienced when I was having what I thought was a heart attack earlier this month. I remembered to take an aspirin, call 911 and wait for the paramedics. It is the most frighten experience. I had a heart cath yesterday that showed I didn't have a heart attack, but what is called a- typical attack. It shows that no matter how healthy you are there are many things that can and do contribute to an attack.

Judy Allen, President

Upcoming Events

Zonta's Day of Film 2016:

For one in five women, their dream school will become a nightmare.

The statistics are staggering. One in five women in college are sexually assaulted, yet only a fraction of these crimes are reported, and even fewer result in punishment for the perpetrators.

The Hunting Ground reveals an endemic system of institutional cover-ups, rationalizations, victim-blaming, and denial. But two survivors take matters into their own hands and use a Title IX legal strategy to fight back.

This documentary has inspired new laws in New York and California and changes in campus policies.
