Governor of District 12: Mary Benoit

President's Message for May . . .

My how time flies. This is my last President's Message. It has been an honor to have served as your President. I have had many wonderful experiences that I will cherish. Thanks!

Diane Twining will take office in May and I know you will give her the same support that you gave me. Remember to let her know your Committee preferences so that she can place you on the Committee where you want to be.

We have a wonderful program planned for May - Identity Theft. As usual Kathy Hyzer and Cathy Conley have done a superb job of planning a worthwhile program for us. Our meeting will also include a review of the by law changes that International has proposed and will require Diane and me to cast a vote reflecting your wishes at the International Convention in July. We have two votes to cast. In addition, we have a few by law changes for our club. More information to follow on this!

At the Area 3 Meeting, we learned that another club has been chartered - in Gillette, Wyo. In District 12, we have 686 members in 22 clubs. How wonderful it is to be a member of Zonta. I urge you to renew your membership. As a reminder, May 1 is the due date.

We have several service opportunities available. Several of us participated in the 9Health Fair Hotline, and it turned out to be a great chance to meet new people and to provide a service to the community. On May 8, we will have an opportunity to see our service grant dollars in action as well as to volunteer at the 23rd Annual Day of Caring for Breast Cancer Awareness. May 20 brings our annual Denver Kids, Inc. award presentation last. And on June 21, the 2nd annual Denver Kids Golf Tournament will take place and we have agreed to serve breakfast. Sheila Davis and her Committee have arranged these wonderful service opportunities for us. Please contact Sheila for specifics.

We also have a name for our home party event...it will be called "Let's Party. I urge you to place November 5 and 6 on your calendar. Diane Twining and her committee have big plans for this event that all of us need to support.

I will retire on June 3 from my job with USDA after 33 ½ wonderful years. I plan to do lots of different things including more volunteer work and have agreed to be the District UN Representative in Zonta. I am excited.

Thanks for the memories!

"What is the real good?"
I ask in, using mood.

"Order," said the law court;
"Knowledge," said the school;
"Truth," said the wise man;
"Pleasure," said the fold;
"Love," said the maiden;
"Beauty," said the page;
"Freedom," said the dreamer;
"Home," said the sage;
"Fame," said the soldier;
"Equity," said the seer.
Spake my heart fully sad:
"The answer is not here."

Then within my bosom
Softly this I heard:
"Each heart holds the secret:
'Kindness' is the word."

UPCOMING SERVICE PROJECTS

RONALD MCDONALD HOUSE DINNERS

The Ronald McDonald House in Denver provides a "home away from home" for families whose children are being treated at Children's Hospital. It's located at 1300 E. 21st Ave, Denver, CO 80203, just a couple of blocks from the hospital. Their phone number is 303-832-2667.

Families have individual hotel rooms for sleeping and relaxing, and there are two beautiful, very large kitchens and eating areas located on the 2nd and 3rd floors. Individuals can fix their own meals, or be served by volunteer organizations such as ours.

The Zonta Club of Denver serves dinner for approximately 30-35 people in a buffet style format the third Monday of each month. Volunteers are asked to arrive at 5:30pm for set up, and serving begins at 6:00pm.

The Gathering Place

Zonta is serving lunch at the Gathering Place on Wednesday, May 26th. Nikki Headlee and Linda Rhea have signed up to serve. .

**Day of Caring for Breast Cancer
Awareness**

This event will be held on Saturday, May 8th, at the Merchandise Mart, from 8am to 3pm. Its purpose is to provide education, empowerment, and hope to all women and men interested in this disease. There will be seminars, exhibits, a silent auction and boutique, and a luncheon/fashion show. Over 1000 people are expected to attend.

Day of Caring was a service grant recipient of our club this year, and we are one of their key sponsors. With our money, a resource center, Sense of Security, will be set up to provide non-medical financial assistance to breast cancer patients in Colorado. Some of the resource tables in the center will include the Food Stamp Program, the Low-income Energy Assistance Program (LEAP), and the Consumer Credit Counseling Service. Hopefully some of our members will be able to attend this wonderful event!

Denver Kids

The annual awards banquet is scheduled for Thursday, May 20th in the evening. The summer golf tournament is scheduled for Monday, June 21st in the (very early) morning. Sign up sheets for volunteers will be available at the April dinner meeting. For more information, please contact Mandy Ziegler.

Gather Up Men's Clothing

Kathy Hyzer is collecting men's clothing, (not suits and ties) for a men's shelter. This effort is sponsored by Senior Support Services. Please bring clothing to the April and May dinner meetings. This actually benefits women too, as it helps us clean out our husband's closets!

Save Your Grocery Coupons

The American Legion Auxiliary is sponsoring a project to send coupons overseas for veterans and other service people to use at their commissaries. Diane Twinning is a member of the Auxiliary, and she asks that Zonta members save coupons for this effort. Coupons will even be taken for up to six months after the expiration date. No local store coupons can be used, however. Please bring coupons to the dinner meetings beginning in March. This is a long-term project, so coupons can be used on an ongoing basis.

Convention 2004: New York City

Greetings from Southern Maryland!

My name is Nancy Shambaugh and I'm the volunteer coordinator for this year's Zonta International Convention in New York City. I am working with Convention Chairs, Tebbie Clift and Judy Johnston, former District 3 Governors and Past ZI Directors, to find and assign volunteers to the many fun and exciting opportunities at this July's convention.

We are reaching out past the boundaries of District 3 to see if there are other Zontians who would like to volunteer with activities such as: the hospitality suite, the District meetings, the "dine arounds", opening ceremonies, closing ceremonies, greeters, timekeeping, "runners" at meeting, special events hostess and much more. What a wonderful opportunity to see the inner workings of the ZI Convention!

We are also looking for about 10 volunteers specifically for the ZI Store. These 10 Zontians would have advance training on accepting credit card payments and would need to be available for several shifts - with Friday and Saturday most likely being the busiest times. It is a big commitment, but we know that Zontians are up to the task!

If you would be so kind as to forward this email on to your Area Directors (and District Officers) with a note to forward it on to club presidents, it would be a big help in getting the word out that additional volunteers are welcome and needed. Club presidents then should get the word out to their club members. Folks can sign up to volunteer for just one hour or one activity or several hours over several days. They can also pick the type of activity/event they'd like to help out with or they can just state that they will help out "wherever needed".

Zontians wishing to volunteer do have to be registered for the Convention. They should contact me by email (preferred) at : mtntops@comcast.net and let me know their name, email address, availability dates and times and activity/event preference, if they have one.

Thank you so much for taking the time to forward this on to your District's Board. I know this "trickle down email" effort will work to the benefit of the Convention. We all appreciate your assistance.

Yours in Zonta service,
Nancy Shambaugh

Please describe briefly highlights from the year, important committee activities including local pro-

jects, public relations activities and work on advancing the status of women:

Every year since 1988, the Zonta Club of Denver has funded several scholarships to Metro State a local University in Denver. In June 2003, our club initiated an endowed scholarship with a gift of more than \$29,000. This was made possible from the provisions in the will of Edna Jean Hershey a member of our club from 1935 until her death in 1977. As a result of this gift, the Zonta Club of Denver was highlighted in the "Metropolis" Alumni magazine from Metro State. This gave our Club community recognition as it is sent to over 29,000 alumni.

In addition, the club annually sends out a reminder to all Colorado Clubs advising them of the provisions of the will of Edna Jean Hershey that makes funds available to needy Zontians. This follows established criteria as a result of Edna Jean Hershey's wishes.

On May 8, the Zonta Club of Denver participated in a Day of Caring for Breast Cancer. This was noteworthy in that this allowed our club to participate in a service project improving the status of women but also to see firsthand how are service grant dollars are being used. The Day of Caring was a grant recipient winner this year. Nine volunteers from the Club volunteered for this service project. Because of our sponsorship of this event, we received a ½ page ad in all programs as well as signage on all publications generated from this event.

We awarded a scholarship to our Young Women in Public Affairs - Bobby Jo Wessels, from Mullen High School. She was awarded the scholarship at our April 8, 2004 meeting. Her application has been forwarded to the District level for further competition.

The Zonta Club of Denver is a well-known entity at the Family Pathways events, Ringing the Bells for the Salvation Army, Santa Claus Shop and Dress for Success. We consistently display the Zonta emblem at all events. We continue our sponsorship at the Denver Kids organization and they consistently display the emblem on all of their stationary and fund raising literature.

We continue to prepare and serve dinner at the Ronald McDonald House every month. The Zonta Club of Denver is well known there and most people who are not familiar with our organization ask about it when they see our name. There are many single women with children who need the service of Children's Hospital, and the Ronald McDonald House. We fill a need to keep them going through rough times by providing a home cooked meal and supportive conversation.

Our Club also serves lunch and provides Mother's Day bas-

kets for the Gathering Place. This is the only daytime shelter for women and children in Denver. Our participation helps women who are in the most desperate of circumstances and in need of a place to stay, good food and personal care products.

Our Membership Committee planned very informative meetings for our club. Some of the speakers for this year included a person from the Jeffco DA's office speaking on the Dangers of the Internet, RTDs FASTTRACKS Program of Light Rail and Commuter Rail and our May meeting included a program on Identity Theft from the Denver District Attorney's Office.

Our Fund Raiser for this year was the very successful "Afternoon at the Theater". This was held in June 2003 and we made over \$2,000 from selling tickets to CATS. We have also sold pin holders and Chef's aprons. These two items have proven successful.

Our Club has been very busy planning for our fund raiser for 2004. A formal Business Plan with recommendations was presented to the Club's membership in June 2003. The Plan was approved and activities undertaken to move the Club on to this new annual fundraiser - a Home Party Event. This event is planned for November 5 and 6, 2004 at the Tivoli Center in downtown Denver. It has been official named "Let's Party". Money will be raised from renting booth space to vendors, charging admission to the general public and club members selling our own items. We expect this event to be a success and will be our main emphasis this next year.

Suggestions for Next Year:

- * We plan to concentrate our efforts on our Home Party Event - "Let's Party".
- * We need to set up an organized support system for our older members who no longer attend meetings on a regular basis to let them know they are not forgotten.
- * Also, we need to finalize plans for a new members handbook that will be given to all new members in addition to a new member orientation.

I believe our Club had a very successful year in helping to improve the status of women.

Zonta Club of Denver

He explained proposed new bus route neighborhood "feeders" to RTD Park and Rides, and new "suburb to suburb" bus service. He mentioned a company which makes train cars for "commuter rails", is located in Fort Lupton, Colorado.
