The installation this May will be a first for our club, you get me for another year as your President!! I look forward to another year, and with your help and support, it will be an enjoyable and productive year. I would like to thank the wonderful board that I had this last year, and for your support and friendship as we work to fulfill the goals of our unique group. Carroll, Nikki, Kate, and Mary will be leaving the board for a well deserved rest, although we will find ways to keep you busy, trust me!! And a special thanks to Dorothy for filling in at the last minute to fill the vacant spot on the board this year. I can't think of anyone in our club who did not contribute in some way to our success, with hands on service, committee work, or serving as trustees. Thank you so much. Also, don't forget to turn in your service hours to Carroll Allen before the end of May.

Thank you to Wendy, Dottie, Julie B, Julie W, Gayle and Diane for agreeing to serve on the board in the coming year. At our May meeting, in addition to inducting these five women to our board, we will also be welcoming four new members. That is awesome! Let's give them a great Zonta welcome!

It's that time of year – yes, I mean by-laws and standing rules. There are two changes, mostly housekeeping items. The main change is to be consistent with International and our club procedure of moving Status of Women from Service Committee to Advocacy. The second is to add members to the Audit committee. This committee will now meet quarterly with our treasurer to review expenses and offer support and assistance to the Treasurer. Please read the changes (shown in red and blue) in this issue. We will vote at the May meeting.

Continued on page 2

As we go forward into the next year, I leave you with a thought on core values that I found recently-

“Believe in ourselves as women; persevere with the strength of our convictions; and dare to move into new horizons.”

YIZ, Kathy

FUND RAISING

DON'T FORGET THE ANNUAL ZONTA GARAGE SALE!

Our annual garage sale will be on Saturday, May 21, at Cynthia's. You may deliver your donations any time. Household items, furniture, books, anything else that you can think of except clothing, which doesn't sell unless it's baby items. Call Cynthia to arrange to deliver to her. If you want to pre-price anything, go ahead and do that.

This is a win-win-win opportunity—get rid of things you don't want, give other folks the opportunity to buy things they do want, and help fund ZCD's service projects! Please sign up to help with the sale on Saturday, and also with pricing on Friday May 20. **We'll have sign up sheets at the meeting, but if you can't attend the meeting, please call me and let me know how you can help.** This is a great opportunity for us – amazingly, we made over \$1200 last year. P.S. It's a lot of fun – just ask Joetta.

—Kathy

TIMES ARE CHANGING

While the C-5 was turning over its engines, a female crewman gave the G.I.s on board the usual information regarding seat belts, emergency exits, etc. Finally, she said, 'Now sit back and enjoy your trip while your captain, Judith Campbell, and crew take you safely to Afghanistan'

An old Master Sergeant sitting in the eighth row thought to himself, 'Did I hear her right? Is the captain a woman?'

When the attendant came by he said 'Did I understand you right? Is the captain a woman?'

'Yes!' said the attendant, 'In fact, this entire crew is female.'

'My God,' he said, 'I wish I had two double scotch and sodas. I don't know what to think with only women up there in the cockpit.'

'That's another thing, Sergeant,' said the crew member, 'We No Longer Call It the Cockpit. It's the Box Office.'

NEEDED—BOOKS FOR THE CLUB LENDING LIBRARY

Don't forget your books to loan. The keeper of the suitcase PROMISES to remember to bring it to the meeting. Put your name on your book if you want it returned, and add a note if you'd like. We need books!!!

Evie has graciously offered to be the librarian, so don't forget.

METRO SCHOLARSHIPS

The Zonta Club of Denver Edna Jean Hershey Scholarship Endowment Fund awarded scholarships to several deserving students this year. Thank you letters from three of them are reproduced on these pages, along with a letter from Metro's president. The students' names have been omitted to protect their privacy.

I am writing to let you know how thankful I am for receiving the \$2325 Zonta Club scholarship for the 2010/2011 school year. I was so very happy and appreciative to learn that I was selected for this scholarship and it has made a huge difference for my family this last year.

I am currently going into my senior year at Metro State with a major in Technical Communications and plan to graduate in Fall of 2012. It hasn't been easy going to school full time while being a single mother of two children, but I am so close to graduating now and cannot wait to start a new chapter in my life.

In awarding me this scholarship you have enabled me to focus on my studies and be able to take care of my family while doing so. It is much easier to succeed in the college setting as a single parent when you aren't constantly worried about daycare costs and bills. I can only hope to be in a position one day to help other single mothers achieve their goals as you have helped me.

President Kathy presenting a check for more than \$13,000 to be added to the Hershey Scholarship Endowment Fund at Metropolitan State College of Denver

I am writing this letter to thank you for this great scholarship. I am very happy to know that I was chosen as a recipient of your scholarship among many other people. Thank you for helping me and many other college students with our education.

This scholarship is very important to me because it is helping me on continuing my education. If it would not been for this scholarship I have no idea where I would find the economic resources to pay for my college education. My dad is the only one that works and cannot pay for my education. I work a part time job to help my dad pay all the house bills. I am certain about one thing; I will continue my education and become a nurse. I really like the fact that I never give up on my goals. I am surrounded by people who support me and inspire me to do well and finish school. I feel proud of myself because I will be the first one in my family to have a college degree. I am the kind of person that loves to help other people. Right now I volunteer at Saint Joseph's Hospital. It is fascinating to see how nurses and doctors help sick people and then make them feel better. I simply love the fact that we as people can help each other feel better. Today you helped me on continuing my education but tomorrow I will help sick and non-sick people to feel better.

All in all, thank you so much for this scholarship. I cannot explain in words how thankful I am for this scholarship. But the smile in my face says THANK YOU. I will make you feel proud of me and I will keep working hard through good or bad times to finish my education.

I am writing to thank you for the Zonta scholarship. I was very happy and appreciative to learn that I was selected as the recipient of your scholarship for the 2010-2011 academic year.

As a returning older student and a single mom, the challenges of balancing my other obligations was made easier by the scholarship funds. I am deeply committed to excelling in my studies for my degree and my future career as an Art Educator, at the same time, I must always keep present in front of me to provide for my daughter as well. The Zonta scholarship funds helped immensely in this area, allowing me to purchase much needed school supplies for me to succeed in my academic studies and not take the funds from our daily living income.

Again, I wish to express my deeply felt gratitude for being chosen as a recipient of the Zonta Scholarship. The investment of the funds will be put to excellent use as I pursue my passion for art and as an Art Educator; when I share that passion for art with the children I teach.

TREASURER

If you've spent money for the club and want to be reimbursed, please fill out the voucher form (on our website, members-only page), include receipts, and either mail to me or give to me at our next

meeting. Requests for reimbursement must be to me by May 20.

Financial Information

Our financials are in a good position. Financials as of March 31 are available for all to scrutinize on our web site. In addition, the profit and loss statement for our Zonta Day of Film is also posted. As you will see, we did quite well. We exceeded last year's profit in spite of expenses being higher than last year. And, this is not the final number as we are expecting another \$100 or so.
