Report on District 12 Conference Sept 25-27

The District 12 Conference was held in Boulder with the Foothills and Boulder County clubs as host. There were around 100 members and guest in attendance. Friday night kicked off with Herstory and Trivia. We were asked to dress as our favorite female hero. I did not attend as the Past Governors had a reunion dinner. Katie W and myself set up the jewelry for the club table. We did have a lot of nice Zonta pieces and other costume jewelry. Kathy H. was able to start the sell after the Friday night opening.

Saturday morning was the start of the business meetings and Governor Marcie had a full agenda.

Our Zonta International Rep was Sharon Langenbeck. She brought a greeting from the ZI president Maria Jose

The District Service Award was shown and information was passed out for the clubs to work on. This is called the Silent Witness and we are to display them for the 16 Days of Activism Against Violence Against Women. These are silhouettes of women and we attach a story on how this woman had been murdered by a husband or intimate partner. We are also to present a program to a male dominated organization to emphasize that domestic violence is not just a woman's issue it is a human issue. I will have a silhouette at the next meeting. This is something the whole club needs to participate in. We are to have pictures of our event for the governor to submit to *Z*l.

There were 4 workshops to attend, Katie and 2 other young members were on one of the panels. It was on telling why the younger members feel they are a good fit for their clubs and what obstacles they have over come. That having a mentor was a good reason why they have stayed and very important to help with learning about the club and just to have someone to talk to.

Saturday night banquet had the Zontains of the year recognized, awards for Service, Membership, Travel, First Time Attendees, and Club Anniversaries.

Our Club did the Memorial Service on Sunday morning. Mary B. and Katie W. both did readings. There were 13 Zontians who had passed since the last DC in 2013. We had 5 members who were recognized. Jacki Sammons, Norma Bettinger, Essie Garrett, Margo Truscott and Ruth silver who had been an honorary member.

The governor's seminar will be in Deadwood SD next fall and I hope more members will attend. This will be the highlights of the International Convention

JMK Scholarship Winner Says Thanks!

Zonta Club of Denver

Dear Zonta Club:

It is a great honor to be the recipient of the 2015 Zonta International Jane M. Klausman Women in

Business Club and District level Scholarships. Thanks to you support, I can pursue my Masters of Professional Accountancy Degree at the Metropolitan State University of Denver, without worrying that I will be deep in debt by the time I receive my degree and will be ready to send my children to college. A

few years ago, I gladly accepted another scholarship from Zonta club, while working on my undergraduate degree in management. Receiving a scholarship from your organization again is the proof that your support is working and making a difference in the lives of women. Now, a few years later, I am about to receive my master's degree and have gained the necessary knowledge that will help me succeed in a promising career in business.

Raising two teenagers in a broken family, working full time, and attending graduate school at the same time can be challenging sometimes. Without scholarship donors like your organization, some students would not be able to follow their dreams.

I really appreciate the work and support your organization provides for women.

Sincerely,

Edit Maszlaver

Six Month Report from Friends of the Haven/The Haven

To: Zonta Club of Denver From: Friends of the Haven / The Haven Re: Six Month Report Date: February 2015 to August 2015 Amount Awarded: \$4,880

Please find enclosed the six month report for the grant awarded to Friends of the Haven. The purpose of this grant is to continue support for a weekly exercise program

delivered by Southwest Denver YMCA (Y) to The Haven women in order to provide a release from a stressful, rigid treatment regimen, help the women identify healthier ways to cope with stress and enjoy their leisure time other than drug use, and reduce symptoms of depression and anxiety common among the Haven client population. To date this project has been highly successful and we wish to thank the Zonta Club of Denver for making a difference in the lives of Haven women.

Goal 1: Continue the exercise program with more women in each class in collaboration with the Y.

The Y provides a very popular weekly exercise program for Haven women. Classes are taught by trained and qualified Y staff . Classes take place outside in the nearby park or in the large multipurpose room of the Baby Haven.

Objective 1a: Fitness Instructors from the Y will continue to administer a weekly exercise program at the Haven.

Several fitness instructors from the Y provide weekly exercise classes for Haven women. These classes incorporate cardio and strength training, Zumba and a variety of fun and engaging exercise activities that help Haven women to reduce their stress and learn how to have fun without the use of drugs or alcohol. Y classes are very popular with Haven ladies. Comments from Haven participants include:

- □ I think it's great, no improvements needed
- □ I would like class more than one time a week
- □ I think the Kathy (Y instructor) does an amazing job in teaching us
- □ I love fitness!

Objective 1b: 25 women will be recruited to participate based on their motivation and readiness levels.

On average 10-20 Haven women attend Y classes on a weekly basis; the ladies have a wonderful time working out.

Goal 2: Ensure strong participation in the weekly exercise program among Haven women on a regular basis.

To date approximately 65 different ladies have been able to participate in Y classes at The Haven.

Objective 2: At least 15 women will come to the class on a weekly basis, as measured by participation logs.

On average 10-20 Haven women attend Y classes on a weekly basis. Participants report working hard in class and feeling energized after class.

Goal 3: Increase awareness of healthy ways to exercise and desire to exercise among women who graduate from the program to ensure long-lasting effects.

Y classes began by teaching women basic exercises and emphasized how to

exercise correctly and safely by ensuring proper position and posture when doing situps, push-up, squats, etc.

Classes then became more rigorous and continue to increase in intensity. Modifications are provided for every exercise to ensure all women can participate. Haven women shared that different fitness levels are accommodated by the instructor, that they have fun learning to exercise in new ways, that they enjoy having Kathy as an instructor and feeling that Kathy gives them a challenging workout because she believes in them and knows they can do it.

Objective 3: In a short survey/interview at the end of the program, at least 80% of the women will express they were satisfied with the program, that they learned healthy ways to exercise, have reduced stress and anxiety, and have desire to continue to exercise following graduation.

□ 87% of women report being very or extremely satisfied with the Y class

 $\hfill\square$ 73% reported that the Y class helped them to develop new ways to cope with stress and anxiety

□ 73% reported that the Y fitness class helped them to reduce stress and anxiety

 \Box 47% reported that they would be somewhat likely to continue exercising after they leave The Haven program

 $\hfill 47\%$ reported that would be very likely to continue exercising after they leave The Haven program

 $\hfill\square$ 87% reported they have a desire to attend class

 $\hfill\square$ 87% reported they feel they have learned healthy ways to exercise that they can continue to use in the future.

□ The majority of Haven women report enjoying the classes with the Y instructors and wish the class took place more often than weekly.

To date this has been a very successful project. We wish to thank Zonta Club of Denver for your partnership and support. We are so very grateful for your organization and simply could not do the work we do without our wonderful community partners such as the Zonta Club of Denver.

Thank you so much for all that you do to support us in helping Haven women to reach their full potential and becoming healthier and stronger women.

Advocacy: Child Care Crisis

In case you missed it on the Zonta International website...Is there a crisis in child care? I naively thought that a child care crises was when you told your neighbor you would watch her 2-year old twins all day and your own 3 children now have a day off from school, now that is a child care crisis.

Seriously speaking there is a crisis. As with anything there is more than one side to this issue and no easy solutions. There are child care facilities where profit margins are slim and workers are not paid a decent living wage. There are licensed homes where stay at home moms and their family care for children, but for the most part these are poorly regulated and only occasionally inspected.

Then there are the unlicensed homes, where it is an open field of possibilities. On the other side of the issue are the parents and their children. There are families with two parents and families with a single parent. Next is the money, with family incomes all over the board. Some families can afford day care and others barely scrape by and others are just digging the debt hole deeper. And of course this scenario would not be complete without the government having a hand in the action. Gratefully there are agencies that regulate the day care centers and the home care facilities. In addition there are government subsidies for day care.

That is a double edge sword because if a parent gets a raise or a better job they may suddenly become ungualified for a subsidy because of income. They may discover they are in worse shape financially by making more money.

As I said there are no easy solutions but I believe it is important that we are educated and informed. So what can we do? I know our representatives in government are more than aware of the crisis, but like anything else the care and concern comes at different levels. With care and concern comes fiscal responsibility. So everyone has a tough job. It is up to us to be engaged and try to figure out where candidates stand on the issue of subsidies, assistance and fiscal responsibility. The old saying "it takes a village" still remains true and as individuals we need to decide how we can assist in this crisis. Every small act of kindness and caring makes a difference and that is why each and every one of us can make a difference.

Committee Reports

Service Committee

The service committee met on August 24, 2015. We have 6-month reports from three grantees and that they can be seen on the website in the Members Only section. This is an important time for the service committee. The grant applications were due on September 12, 2015. This year we received applications from 14 worthy organizations! The committee has been busy studying the

applications and learning all we can about the applicants before our next meeting on Oct. 5.

CJ is organizing our service activity with Second Chances. We are having a craft day with Second Chances on Tuesday morning, Oct. 13. At this time we will decorate canvas bags and serve refreshments.

Mary Lou is making samples of the canvas bags. CJ passed out a sign up sheet at the September Zonta meeting for supplies and food items.

A potato bar was served at the Delores house on Sunday, Sept. 20. Thank you to all who served and supplied the food: Judy A, Cathy C, Penny, Julie, Clare, Liz, and Helen.

Fund Raising Committee

"Fundraising met September 16 with the main goal of pricing all that beautiful jewelry, material, etc. that many of you brought to be sold at District 12. That not sold will be put into our garage sale. The committee had fun pricing and, as often is the case, bought some of the items.

Regarding the Day of Film venue, Evie, Kathy, and Nikki are looking at options to the SIE Film Center. Those options are the Landmark Theater in Greenwood Village, DU,

Auraria campus, and Lone Tree. That doesn't mean we are moving the venue. We are simply checking out alternatives. Cynthia has located an antique vendor who might take some of our University Chapel items.

Our next meetings will be Thursday, November 12, 4 pm at La Hacienda before our regular club meeting (note that this is a date change) and December 2. Dates for 2016 will be determined in December."

~ Nikki

Advocacy Committee

The Advocacy Committee has delivered the \$500 allocated for Zonta Wings, and we will have a CoNEHT speaker in the spring. We hope she will be able to tell us how the funds were used.

Please consider attending the October 14 event that our club and other metro area clubs are co-sponsoring (thanks to Alexis for

providing us that opportunity!) with the Denver chapter of the United Nations Association. A flyer with details is included below under "Upcoming Events." The speaker will be Leslie Wright, a member of the Zonta Club of New York and Chairman of the 2014-2016 Zonta International UN Committee. I hope you learned something at the September meeting about the UN and Zonta's role there as an NGO (nongovernmental organization) with consultative status. Now learn about the UN's 2030 Sustainable Development Goals. We hope for a good turnout of Zontians, and if you would like to carpool, let me know! (Perhaps we can have dinner - and wine, of course - afterwards.)

Several of us will be attending the film and panel discussion about affordable childcare on September 30. We'll report back to you about what we learn there.

Finally, the District Advocacy Committee has put together a plan for all clubs in District 12 to take part in the 16 Days of Activism against Gender-Based Violence. More on that, and how you can participate, later.

Advocacy Moment: Wendy Moraskie

• Presented on a presentation from former Zonta International President who saw that exit interviews of Zontians leaving Zonta said they feel like they didn't get enough support from their club. How can we advocate for women around the world if we don't advocate for those we see all the time? Something to remember, advocacy moments happen all the time.

DINNER

Program: Sheila Davis & Alexis Newton

United Nations' Commission on the Status of Women (CSW) (Conference that happens every year at the U.N. in March.) Shelia Davis presented on:

- This commission is very important because women and men from around the world go to New York City every year to talk about supporting women and girls through gender equality.
- UN's Economic & Social Council (ECOSOC) established the CSW in 1946 as a functional, policy-making body.
- This coming year, March 2016, is CSW 60.
- Sheila Davis shared story of her attendance at CSW 58 with Kay Meyer. Over 6,000 representatives from 860 organizations were present. As part of consultation day, they reviewed the Millennium Development Goals (MDGs).

SDGs will be released at the Sustainable Development Summit in NYC September 25 27, 2015. Specific goal that Zonta will work towards is goal 5.

- o Alexis Newton passed around the book from received at the CSW, the e-mail communication from Zonta International, and folders of information that was discussed at the conference.
- o If you are ready to take the next step for advocating, CSW is a great opportunity to meet other women work on the same issues.
- CSW60 is in March 14 24, 2016
 - o Priority Theme: Women's empowerment and its link to sustainable development.
 - o Goal: To send 5 members of ZCD to the CSW60.
 - o Alexis Newton and Sheila Davis are happy to help people figure out where to stay/how to go.
 - o Schedule of workshops will come out in December.
 - o People interested: Julie Bradley, Nikki Headlee, and Debra Gridley.
 - Kathy Hyzer met a woman from UNICEF that has worked on many Zonta projects.
 - Helen Mulhern asked if UNICEF and ZONTA have plans to work on the Syrian/Iraqi refugee crisis in the Middle East/Europe?
 - o Alexis Newton will look into it and ask.
 - Does signing up through Zonta get you admission to the buildings?
 - o Sheila Davis reported that she got in as a buddy of Kay Meyer. But last year, they had the opportunity to sign up for daily tours. Meetings happen in the UN and there are parallel sessions at buildings all around the UN.
 - o Alexis Newton said it depends on how many people sign up from Zonta and they will give passes based on rank. Can use Zonta International to help you sign up.
 - o There were briefings on General Sessions every day as well.
 - See presentation materials.

Approval of August 13, 2015 Minutes: Carin Paupore, Secretary Minutes are filed as amended.

- From Robert's Rules of Order: Minutes can be amended at any time.

President's Message

Attending District Conference is always a time to renew friendships with fellow Zontians who you might only see once a year. It revitalize the Zonta spirit and always brings new information for club use. The Zonta clubs of Foothills and Boulder County did a great job. Thanks to these clubs.

The district has implemented a district service project that I wrote about in the district update. Silent Witness will be a project all clubs can work with in their areas. Please take a few minutes to read and if you have guestions we can address them at this months

meeting.Remember we have the U.N.A. symposium on October 14th. This will be at the World Trade Center starting at 6pm. Leslie Wright from ZI will bring us up-to-date on the UN's SDG and what it means to people around the world. I hope that many of you plan on attending since we are a co-sponsor for this event.

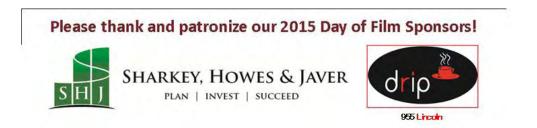

Service is busy working with our grant recipients to work on projects with them. Second Chances will be on October 13, 2015. They have asked us to help them with decorating bags. C.J is coordinating this and if you would like to participate please let her know. Hands of the Carpenter will be our next project in November. Look for more information.

ZI has sent out a newsletter with a lot of very interesting information. Please read about the GIRLS NOT BRIDES article. This is an eye opening project. The information that ZI sends us is a way to stay informed what ZI is doing.

See you at the meeting Thursday October 8. I will be asking questions about the Smoke Signal so READ it.

Thanks,

~Judy Allen, President

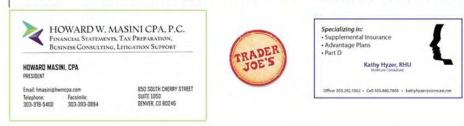

Past District Governors Sheila Davis and Mary Benoit thought some ZCD members might be interested in attending our District's newest club by attending their Fashion Show on Saturday, October 17.

In addition to fashions there will be live and silent auctions and Mystery Bags. The live auction includes get-aways to Palm Springs and to Pagosa Springs. Maybe for a group of Zontians...

See the attached flyer and let me know if you would like to carpool. Sheila and Mary are going and I'm thinking about it.
