## SEPTEMBER, 2015

### Celebrating Our Member Successes

#### **ZCD Members Include "Outstanding" Lawyer and "Published" Investment Advisor**

Zonta Club of Denver is very proud to have two members in the spotlight this summer. Marian Lee, senior director of legal talent for Brownstein Hyatt Farber Schreck, and Pam Dumonceau, principal of Consistent Values, a registered investment advisory firm, are earning some well-deserved attention.

Marian was just recognized as an "Outstanding Legal Professional" by Law Week Colorado, according to a July 30 online summary. The article reports that Lee, a litigator until 2007, manages mentorship, evaluation and development for attorneys at her firm's 14 offices, along with the occasional pro bono case. (See the full article at <http://bit.ly/1wsoMK> ) Congratulations, Marian, on all that and being a great Zontian!

Pam has been working with people to firm up their finances and retirement plans and writing about the process for articles in the Denver Post under the weekly "What's the Plan?" headline. Names and other details are changed for confidentiality, of course, but the situations are common, so the solutions can fit many households in similar circumstances or experiencing similar issues. ## Treasurer's Report

### **ZCD 2015-16 Budget Approved at August Meeting**

By Gwen Fornia, Treasurer

At the August Club meeting, Zonta Club of Denver members unanimously approved the 2015-16 budget as recommended by the Club Board.

The budget includes increases to expenses for sending members to the upcoming District Conference and International Conference.

Decreases to General expenses are found in the accounting area, where we had a general audit done last year that will not be required again this year.

For more detailed information, see the full budget on the Club website in the Members Only section.

## Scholarship Winners

### **Jane M. Klausman Scholarship Winner Honored at September Meeting**

By Service Committee

Edit Maszlaver of Denver, Colorado is the recipient of the 2015 Zonta Club of Denver Jane M. Klausman Women in Business Scholarship. In addition, we are proud to announce that Edit was also the winner of the District 12 scholarship. Edit will attend the September Zonta meeting to receive her award.

Edit was chosen as a Jane M. Klausman Women in Business Scholarship recipient because of her outstanding academic achievement. She intends to pursue a Master's Degree in Professional Accountancy, emphasizing international taxation from Metropolitan State University of Denver and to then start working on a Certified Public Accountant designation. Edit believes that businesses often need to expand globally to stay competitive. She would like to be the person who can help companies grow their businesses internationally.

Edit was born in Hungary and has a younger sister. Edit felt she had to grow up fast when her father died when she was just 15. Edit's mother had a degree in accounting, and from the start, she knew she wanted a college degree. At the time Edit was of the age to start college, Hungary was just coming out of the socialistic era, and women were often encouraged to stick to traditional jobs like hair styling. However, Edit wanted to follow in her mother's footsteps in accounting.

Edit completed one year of college in Hungary, but then stopped going to school after becoming pregnant and getting married. Edit's husband was an architect whose dream was to come to the United States, so her family came here in 1997, where she had a baby boy. They had another baby, a little girl, and decided to settle in Denver.

At first Edit was a stay at home mom, but then the marriage took a turn for the worse, and she had to move out and find full time employment to support herself and her children. She found a job as a bookkeeper and office manager. Because it was a growing company, she found herself having to work 12 hour days. Edit was divorced in 2006 and became a single mom with 2 children.

In 2009 Edit decided to start again to work towards her goal of attaining her college degree by enrolling at Metropolitan State University. She was one of our Metro scholarship winners in 2011. She worked full-time during the 5 years it took to receive her B.S. in Business Management and an International Business Certificate in May of 2014. Edit decided to continue her education and this December she will have earned a Masters of Professional Accountancy degree.

Edit's 18-year-old son has just graduated from high school and is joining the Marines this September. Edit's 17-year-old daughter is a senior in high school and wants to eventually pursue a degree in International Relations.

Edit is now in the running for a JMK scholarship at the Zonta International level. She is a very deserving winner, and we wish Edit the best.

## Sign Up for District 12 Conference

### D12 Conference in Boulder Nurtures Networking and New Skills

By Marcy O'Toole  
District 12 Governor

You've seen the official Call to the 2015 District 12 Conference, hosted September 25 - 27 by the Zonta Foothills Club of Boulder County and the Zonta Club of Boulder County. We'll meet at the Millennium Harvest House Hotel in Boulder, Colorado.

All District 12 Zontians are invited to attend and enjoy seeing long-time friends and meeting new ones, knowing that we're all there with one purpose: to support each other as we improve the status of women through our various projects. I look forward to seeing a great number of you there!

The theme for this year's conference is "HERstory of Heroes." The theme will highlight women's contributions throughout history through "her stories." It was selected because we all have women we look up to (our heroes) throughout our lives.

In fact, your "hero" has probably changed, following your life stages, from your "favorite teacher" when you were 10 years old, to an "impactful professor" in your 20s, to an "instrumental boss" in your 30s or 40s as you are migrating through your career, to a "smart, charismatic woman who might be your friend or colleague" later in life. And perhaps the accomplishments of one particular "her-storical" figure have been foundational for you throughout your life.

All have a demonstrated Conviction, Commitment and Courage. Think about your "hero" and bring "HERstory" with you to the Conference.

See the District 12 website for the registration, the accommodation information, and maps. The link is: <http://www.123contactform.com/form-1483089/Zonta-District-12-Conference-HERStory-Of-Heroes>. We encourage everyone to register online.

Information on the agenda, learning sessions, voting topics and delegates/alternates and proxies can be found on the District 12 website.

Look forward to these opportunities during the conference weekend.

Friday, 5 p.m. **First Timer Orientation.** If you haven't attended a District Conference before, even if you're a long-time Zontian, this session is for YOU.

Friday, 6:30 p.m. **Welcome Reception.** End your stressful work week with a rejuvenating welcome from your Zonta sisters in the Ballroom, featuring hors d'oeuvres and a cash bar. Come enjoy Trivia, hosted by the Zonta Club of Douglas

County Trivia Gurus AND dress up as your Favorite Hero (and talk about HER Story.)

Saturday, 7 a.m. **Walking the Zonta Walk.** Early rising Zontians will start the day with an invigorating walk along Boulder Creek path.

Saturday, 8 a.m. **Delegate Instructions.** An instructional meeting for delegates, alternates and voting District 12 board members

Saturday, 9 a.m. **Business Session.** Eligible voting attendees will cast their ballots on financial statements, the 2016-2018 Budget, a revised & updated District 12 Policies and Procedures manual, two proposed Zonta International Bylaw changes, and for the 2016 - 2018 Slate of Officers.

Saturday, 3 p.m. **Concurrent Workshops.** Four workshops: "Membership: Bridging Generational Differences," "The Club Board Reality Show," "Successful Grant Writing for Zonta," and "Effective PR for Service and Advocacy." (Don't worry, you'll have a chance to choose another when they repeat on Sunday at 10:30 a.m.)

Saturday, 6:45 p.m. **Reception, Dinner, and Awards Ceremony.** Club Zontians of the Year will be recognized and awards will be given out for membership, service, advocacy, travel, and first time attendees. Dress is cocktail attire.

Sunday, 7:45 a.m. **Memorial Service.** The day will begin with a memorial service to honor our District's Zontians who have passed away over the past two years since the last District Conference.

Sunday, 9 a.m. **ZI Update.** Attendees will enjoy brunch and hear about the latest in Zonta International initiatives. One highlight will be a presentation about the Z Club of Laramie High School, winner of the 2015 Zonta International Emma L. Conlon Award. The conference will conclude at 12:30 p.m.

Please contact Michelle Médal at [michellemedal@hotmail.com](mailto:michellemedal@hotmail.com) for questions regarding this year's event.

## **Zonta International**

*In case you missed it on the Zonta International website...*

Update: Voices Against Violence

The World Association of Girl Guides and Girl Scouts (WAGGGS), in partnership with

UN Women and with the support of Zonta International, is working to prevent and reduce gender discrimination and violence against women and girls through non-formal education and youth leadership engagement.

The Voices against Violence curriculum teaches young people, ages 5-25, to understand gender-based violence and its root causes, identify various forms of violence prevalent globally and in their communities, and explore solutions. The curriculum will be delivered by training 200 national trainers from as many as 30 countries at four regional workshops funded by Zonta International.

These trainers will then return to their home countries and train at least 3,000 additional youth leaders and educators. The program is expected to reach an estimated 800,000 children and young people by the end of the project cycle in 2016.

Go to the Zonta International website to read more about the Voices against Violence program in Indian and Zambia.

## Fund Raising Committee

The Fundraising Committee met August 18.

We are going to have a table at the District 12 meeting in Boulder to sell Zonta jewelry, other jewelry Zontians might want to part with, and nice fabric. Bring your contributions for the table to the September Club meeting, or contact me to make other arrangements.

Regarding the Day of Film, three of us are looking at the possibility (possibility, only) of a new venue. The only reason for doing so is the lack of space for our brunch after the film. We also agreed that we will have the event catered rather than cobbling it together ourselves and wearing out several of us. And, Judy Mc has come up with a possible candidate for corporate sponsorship. This was the result of Evie's addressing us at the August meeting.

We still have pieces of the University Chapel in Nikki's garage. That will no longer be there by May 31, 2016. We have several concrete ideas on dispersing the items.

In addition, Julie has prepared the dolls and dishes (that we did not sell or didn't want to sell at the garage sale) for Ebay. They will be posted after further research by Julie.

Our next meetings are scheduled for Monday, September 14; Wednesday, November 4; and Wednesday, December 2. The November 4 date will be rescheduled at the September 16 meeting.

~ Nikki

### **Zonta Day of Film**

#### ***"I NEED YOUR HELP!"***

We will hold our annual Zonta Day of Film event on March 12. This is our Eighth Year and each year our attendance and interest increases. During our lovely picnic at Liz Cameron's home, I talked to those in attendance about helping not only to sell tickets but to help with sponsorships.

I know, I know and I can hear you now. "I dislike selling tickets and asking for money"...I do too! However, this is a responsibility of membership in the Zonta Club of Denver as our fund raiser proceeds go to support our very worthwhile projects to help improve the status of women not only in the Denver Metro area but to Zonta International as well.

With this in mind, I am asking your help in thinking of those people you have a relationship with, such as your broker, insurance agent, nail technician, bank, etc., that could donate to our fund raiser. You can forward these names and addresses to me and I will prepare the letter that will include your name as well as Judy Allen, President and Nikki Headlee, Chair of Fund Raising.

I will give the letter to you and you can hand deliver to that person/company. For example, after our meeting in August, Judy Mc told me she would contact her insurance agent to ask if she would provide a donation. I plan to ask my broker.

These are just examples - I am sure you can think of someone in your life that you have a relationship with. Remember the worst that can happen is that they say no, but maybe they will say yes!!!

See the attached information about sponsorship levels. Let me know if you'd like to see a sample request letter. Again, all you have to do is give me the name and address and I will prepare the letter for you. I hope to hear from you. Give me a call if you have any questions - cell 303-746-4608 and email - [jeashmore@comcast.net](mailto:jeashmore@comcast.net).

Yours in Zonta,

### Advocacy Committee

We had an impromptu meeting after the August club meeting to discuss the details of funding Zonta Wings.

For those who don't know, or can't remember, what Zonta Wings is here is the scoop.

Zonta Wings was a project started by the Zonta Club of the Pikes Peak Area in connection with the Human Trafficking Task Force of Southern Colorado. (That Task Force was started by past District 12 Governor Betty Edwards, a member of the Pikes Peak club.) One gap in services to victims is that of transportation. Often a rescued victim is in danger of being re-recruited through physical and/or emotional coercion if she remains in the local community. But perhaps the victim has a cousin in New Jersey willing to help her. Neither federal agencies (the FBI) nor local authorities (human services, police) have funding available to move victims. Zonta Wings would help to fill that gap by paying for emergency transportation. Zonta Wings funds could be used to purchase a bus or plane ticket to get this victim from possible danger in Colorado to family in New Jersey.

Last year, our club voted to allocate \$500 from club service funds for the same purpose, through the Colorado Network to End Human Trafficking (CoNEHT), a statewide network of agencies dedicated to assisting victims of human trafficking. Alexis Newton, a member of our committee, works with CoNEHT, and thought the best way to get our money to CoNEHT was through a prepaid credit card. We did some research and found that King Soopers offers a prepaid card with minimal fees. Mary Benoit and Alexis will be working together to get the card, activate it, and deliver it to CoNEHT through Dr. A.J. Steele at the Laboratory to Combat Human Trafficking, a member of CoNEHT. We expect to receive reports about use of this money which we will pass on to you.

We also hope that the Service Committee will allocate a similar amount to Zonta Wings in this year's service budget and that club members will approve that allocation.

The Committee's next focus will be planning a project for the 16 Days of Activism against Gender-Based Violence. The 16 Days campaign uses the sixteen days between International Day for the Elimination of Violence Against Women (November 25) and International Human Rights Day (December 10) to reinforce that eliminating all forms of violence against women is a human rights issue and that the act of perpetrating violence against women is a human rights violation.

### **Membership Committee**

The Membership Committee met on August 20th. Please welcome our newest member, De Regan. De, who is sponsored by Alexis Newton, has a great deal of nonprofit experience and has been active in anti-trafficking activities and organizations.

Our club correspondence is being ably handled by Dorothy Swindt, who is contacting members who miss meetings and guests who attend meetings. She also sends birthday and get well cards. If you know of a member who is ill or has any other significant event, please let Dorothy know so she can reach out to them with words of support.

**GREETERS NEEDED** -- Please let us know if you'd be willing to serve as the greeter at any of our upcoming meetings. Please also keep in mind that we highly encourage members to bring guests to our meetings whenever possible. There is no requirement that the guest be a potential new member. We want to open the meetings so that all who visit us can sing the praises of Zonta to their friends.

For both member recruitment and retention, the Membership Committee will schedule a series of informal happy hours throughout the year. These will provide an opportunity to socialize with other club members outside of meetings, introduce friends and potential members to other club members, and otherwise get to know each other better. The first will likely take place in early November. Stay tuned for details on dates, times and locations.

The next membership meeting will be September 23rd at 5:30 p.m. at the Bent Noodle, 3055 S. Parker Rd. in Aurora.

## President's Message

### Looking Forward to More Great Zonta Occasions

I want to thank Liz for hosting the club at her home every August for the past several years. What a beautiful garden in which to have our August business meeting. The rain held off, the food was great and the conversation flowed as smoothly as the wine. It is always a treat when we go to Liz's for this meeting. This is a perfect setting to invite guests to and we had several visitors join us and a few who showed an interest in joining our club. Thank you Liz, for your gracious hospitality.

The program at the September meeting will be on the United Nations Commission on the Status of Women. Sheila and Alexis attended the March meetings in New York City. They will give us an overview of the critical subjects covered at these meetings and how women from around the world come together to speak out against the violence women still have to endure. This would be a great meeting to invite a guest who is interested in international women's issues.

On October 14, ZI United Nations Committee Chairman Leslie Wright is coming to town. She will talk to us about the UN's Sustainable Development Goals and their meaning and impact for the United States. We will be working with the UN Association of Denver and the World Trade Center. ZI has worked with the UN on many of the international Service Projects we have supported. This will be an opportunity for our club to help bring attention to the community about what is happening worldwide. Please mark this date on your calendar and attend this worthwhile meeting-- and bring a guest, of course.
